Finance

As many of you know, Finance initiated a semi spending freeze on discretionary spending in March of 2020 due to the financial condition of TCBC at that time. We are pleased to announce that freeze is no longer in place, effective January 11, 2021. Department and Committee Chairs are free to utilize line item amounts contained within the 20-21 budget without permission from the Finance Committee. We do ask that expenditures that are made are given due consideration and that those accessing the funds are frugal and considerate of actual need. Finance would like to thank all members of TCBC for their generous support of the church during the last 6 months and we look forward to continued support during the 20-21 year.

God Bless you all
Finance Committee
