Weekly Newsletter of Tabor City Baptist Church

We are quickly approaching the busiest time of the church year. As we move into the Fall season and the beginning of the church year, it is natural to begin new efforts to revive and expand the church body. In an effort to do just that, let me share with you two efforts I want to promote among us this year.

First I want to encourage the further development and expansion of our Bible Study ministry. The Sunday School is dear to my heart. I see it as the foundation of discipleship. As we study the Bible from week to week, we are being introduced to the ways of God. I will be sharing with the teachers and Sunday School workers, who join with me, some principles and practices learned by experience and formal training. The object is to increase the size of some of our classes, add more classes as needed and expand our teaching ministry into week days as well as Sunday.

I am also calling the ordained members of our church together. This church has historically believed, as do myself, that ordination is a life-long anointing from God. It is therefore the God given responsibility of those ordained to lead in nurturing, cultivating and encouraging the body in fulfilling Christ's will. I will be inviting them to join with me in guiding TCBC to become a healthy and vibrant church family. As God anointed, He also gifted. Therefore, the ordained are to recognize their giftedness, fill their God-given place and solidify the core of the church body. I pray that these two efforts will greatly strengthen and bring new life to our church family. May it be a new year of special blessings from God.

Blessings, Bro Earl
